

Product Documentation

✉ 23f1000504@ds.study.iitm.ac.in

This presentation is built with **Marp** and stored in GitHub for version control.

Custom Theme Slide

This slide uses **custom background color** and footer.

Background Image Slide

This slide demonstrates **Marp background image support**.

Algorithmic Complexity

We can include math using **KaTeX**:

$$T(n) = O(n \log n)$$

Thank You

Slides are **exportable** to HTML, PDF, and PPTX.
